Builds up Strength.

As a recuperative in all cases of lung, stomach or bowel weakness, or after any severe illness, Angier's Emulsion positively has no equal. Bland and pleasant, it promotes appetite, aids digestion, and builds up health and strength. It is the ideal tonic and builder, because it is soothing and healing as well as strengthening.

Angier's Emulsion
(PETROLEUM WITH HYPOPHOSPHITES)

SUPERIOR TO ALL OTHER EMULSIONS.

Angier's Emulsion is entirely different and superior to all other Emulsions because it combines the remarkable healing properties of our special petroleum with the tonic properties of the hypophosphites. It is unquestionably the most palatable emulsion and it agrees perfectly with delicate stomachs.

"THERE IS NO BETTER TONIC."

—Dear Sir—In all cases of chronic cough, and in all wasting diseases of adults and children, pulmonary and gastro-intestinal, there is no better tonic than Angier's Emulsion. I prescribe it to more than half my patients. You may make use of this testimonial, it is my name.

the spread of modern education during the past decade. Professor Giles had naturally sent his book to press long before the revolution started at Hankow and he was thus viewing the possibilities of the situation as they presented themselves to an observant outsider six months ago when he wrote:—"If the ruling Manchus seize the opportunity now offered them, then, in spite of simmering sedition here and there over the Empire, they may succeed in continuing a line which in its early days had a glorious record of achievement, to the great advantage of the Chinese nation. If, on the other hand, they neglect this chance, there may result one of those frightful upheavals from which the Empire has so often suffered. China will pass again through the melting-pot, to emerge once more, as on all previous occasions, purified and strengthened by the process."

The revolution has not materially altered the facts of the case. The events of the next few days will show whether YUAN SHI-KAI will be able to command the situation and the Manchu dynasty safely outside the storm; whether China will have to go into the melting-pot or seek regeneration along quieter grooves.

THE NEW COLONIAL
SECRETARY.

His Record of Service.

The new Colonial Secretary, Mr. Chaud Severn, whose appointment was notified yesterday, is 42 years of age. With the exception of a short period from March 1889, to June 1892, when he was, temporarily, a clerk in the Librarian's Department of the Foreign Office, all his service has been in the Federated Malay States, where his first appointment was as Private Secretary to the Governor of the Straits Settlements in February 1894. In June 1897 he was made Assistant District Officer at Ulu Langat and two years later received a similar appointment at Seremban. In 1900 he was created Acting Magistrate at Kuala Lumpur, and in August 1903 was appointed Assistant Secretary to the Resident General of the F. M. S. From April to November 1905 Mr. Severn was Acting Federal Secretary of the F. M. S. and a year later he was Acting District Officer at Ulu Langat, holding this position from December 1906 to April 1907. In May of the latter year he was given the appointment of Acting Secretary to the High Commissioner of the F. M. S. and Private Secretary to the Governor of the Straits Settlements. This position he has held ever since. Mr. Severn passed in Malay and law in 1898.

NEWS OF THE DAY.

The 126th Baluchistan Infantry will furnish the night guard at the Kowloon Military Hospital during next week.

An Indian-deck passenger on the N.Y.K. steamer Mishima Maru jumped over board when off the coast of Sumatra, but was snatched up by a local's crew.

A good deal of indignation is manifested amongst the Britishers in Canton with regard to the piracy on the a.s. Shiu On and the shooting of Chief Officer Nicholson.

Lieutenant Harry Gratian has been appointed first and gunnery officer of the Kent on recommissioning. He has been in the service since July, 1894, and was promoted Lieutenant in June, 1902.

His Honour the Chief Justice of Hongkong contributes a brilliant article to the November Nineties. Century and is entitled "An Emperor's Waterway." It describes his trip on the West River last spring.

The Chinese Engineering and Mining Company, Limited, report that the total output of the Company's three mines for the week ending 21st November, 1911, was 1,050.15 tons and the sales during the period 23,456.67 tons.

Major L. E. B. Dykes, R. G. A., is the visitor to the Detention Barracks during the evening week; Captain A. J. Weston, 126th Baluchistan Infantry, held office, with Captain A. J. Orchard, 8th Lajpats, next for duty.

The funeral of the late Mr. H. J. Nicholson, Chief Officer of the a.s. Shiu On, who was killed by pirates on Thursday evening, took place at Happy Valley this morning. There was a large gathering of friends to pay a last mark of respect to the deceased.

When four days out from Yokohama the Blue Funnel steamer, Belcheroph, which arrived at Victoria, B. C., October 1, ran into heavy gales and sustained considerable damage to her deck fittings. Hugo seas swept her, smashing two of the lifeboats on the spardeck and damaging two others.

The death has taken place at the age of eighty-five of Mother Anastasia, of the Hospital of St. John and St. Elizabeth, at Grove End-road, St. John's Wood, N. W., one of the few survivors of the noble band of English women who went out with Miss Florence Nightingale at the time of the Crimean War to nurse the wounded soldiers in the hospital at Scutari.

Commander D. H. Thynne, who joins the cruiser Kent as first executive officer, will discharge a similar duty on the cruiser Royal Arthur in her voyage eastwards with the new crew for the former ship. He entered the service in 1890, and was promoted to his present rank in the December of last year. He is an ex-gunnery officer.

A NEW DEPARTMENT.

(Reuter's Service to the China Mail.)
LONDON, Nov. 25.
Reuter's correspondent at Ottawa writes that Mr. Borden, the Prime Minister, will take charge of external affairs, which will be made a separate department of state.

AUSTRALIAN SEAMEN.

ADVANCE OF WAGES.

LONDON, Nov. 25.
Reuter's correspondent at Melbourne, Australia, telegraphs that the Federal Arbitration Court has granted the seamen an advance of wages and an eight hours day.

THE WEST RIVER PIRACY.

Further details of the distressing piracy on the West River, whereby Mr. J. J. Nicholson, chief officer of the Shiu On, lost his life, show that the whole affair lasted less than half an hour, but that during the time the little steamer was being pirated the most exciting scenes occurred. It appears that no sooner had the vessel grounded than a regular swarm of native craft gathered round her and before the officers had time to realise what was happening some score of robbers armed with rifles were clambering on board. The captain and the chief officer at once rushed off to get their arms and for some time they were dodging about picking off a pirate whenever the opportunity was presented. Mr. Nicholson is said to have shot at least four of the desperadoes and as he was taking aim at another he was struck in the abdomen with a shot which proved fatal. Capt. Johnson had a remarkable escape. Several attempts were made to shoot him, but he luckily came through all right, though once he had to smash his cabin window and crawl through as best he could. He too managed to despatch one or two pirates. The looting was hurriedly executed and in a short time the robbers had escaped with many thousands of dollars' worth of booty. It is thought that the Chinese pilot may be implicated in the affair, especially as the whole thing seemed pre-arranged. He and the two native quartermasters have been detained by the police.

The late Mr. Nicholson was an exceedingly well-known man up and down the China coast, having been connected with its shipping for over 20 years. He was formerly with the Scottish Oriental Company on the run from Hongkong to Bangkok prior to the disappearance of this company as a separate concern. He was also for some years a skipper with Jardine, Matheson & Co. on the Hongkong-Shanghai run, and he had also been employed up North as a captain. He was a fully-qualified master mariner, but some four years ago he was invalided. He first went to the Blue Mountains in Australia to recuperate, but afterwards it became necessary for him to take a trip home, and it was feared that he was suffering from consumption. Just three years ago he returned to the East, greatly improved in health and after a brief sojourn up North he came to Hongkong some few months back, taking up the chief officership of the Shiu On temporarily. He was about 43 years of age, unmarried, and was a widower, for whom the greatest sympathy is felt. His home was at Lewistown, London.

The funeral of the deceased officer is taking place this afternoon at Happy Valley.

SOCIAL AND PERSONAL.

Jemadar Surdar Singh, H.K.S.B., R. G. A., has been appointed Subadar.

Leave of absence, on private affairs has been granted to Lieut. V. S. Srinivas, R. G. A. from 20th November 1911, to 31st March 1912, with permission to visit British Columbia.

Captain Langford of the China Navigation steamer Hothow has received the appointment of Lieutenant in the newly formed Austrian Navy and resigns shortly to keep his new appointment.

Mr. Andrew Carnegie has set aside the sum of \$25,000,000 in bonds to be used under the direction of a corporation organized for the purpose of the spread of knowledge. No limitation is put upon the method or plan of procedure. These details will be worked out in the formation of the corporation.

The form of the motion which Sir Edward Grey is to move in the House of Commons is unusual. It enables him to speak first and discuss the whole realm of Britain's foreign policy, not merely as it affects Morocco. It raises no question of confidence and no vote is necessary.

MINISTERIAL DISSENSIONS.

(Reuter's Service to the China Mail.)
LONDON, Nov. 25.
Altogether 71 Liberals voted for Mr. Ramsay MacDonald's motion in the House of Commons on the 23rd inst. regretting the refusal of the Railway Directors to meet the men and calling on the Government to arrange a conference. The Unionists construed this and the abstention of the Nationalists from voting as evidence of Ministerial dissensions.

FRANCE AND GERMANY.

THE GERMAN CRUISER AT AGADIR.

(Reuter's Service to the China Mail.)
LONDON, Nov. 24.
Reuter's correspondent at Paris wires that the Foreign Affairs Committee in the Chamber has drawn the attention of Mr. Delcasse, Minister for Foreign Affairs, to the continued presence of the German cruiser at Agadir.

CANADA AND THE
EMPIRE.

(Reuter's Service to the China Mail.)
LONDON, Nov. 24.

Reuter's Ottawa correspondent wires that Mr. F. D. Monk, Minister of Public Works, whose inclusion in the Cabinet Sir Wilfrid Laurier denounced on the 21st inst., has declared that he voted for the Navy Resolution in March, 1909, and that he would give similar support to the defence of the Empire at any time of danger.

ANGLO-GERMAN
AFFAIRS.

GERMAN PRESS COMMENT.

(Reuter's Service to the China Mail.)
LONDON, Nov. 24.

Reuter's Berlin correspondent states that the German newspapers comment at length on Herr Eidenben-Wachter's speech, and a conflict of opinion is evidenced. The inspired Press, like the Lokal Anzeiger say:—"It must now be admitted that Germany's honour has not suffered. Our Government put Sir Edward Grey and Mr. Lloyd George in places which caused the British to retreat." The Official Press, like the Berliner Tageblatt, say:—"The true explanation of Sir Edward Grey's representations to Count Metternich (Ambassador to Britain) is that England opposed the cessation of coast on the French Congo, and it is a piece of utter clumsiness to represent the issue of the encounter as a triumph for Germany."

SIR E. GREY'S RESIGNATION
RIDICULED.

LATER.
The London newspapers unanimously ridicule the rumour that Sir Edward Grey will possibly resign. They point out that though the more extreme Radicals are suspicious of the Government's foreign policy, there is an overwhelming sense that Sir Edward Grey should be supported by Parliament in a trying crisis, and that any other attitude would be construed as a triumph for Germany.

THE COMING RESOLUTION.

The form of the motion which Sir Edward Grey is to move in the House of Commons is unusual. It enables him to speak first and discuss the whole realm of Britain's foreign policy, not merely as it affects Morocco. It raises no question of confidence and no vote is necessary.

**A LIVERPOOL
DISASTER.**

OIL MILL EXPLOSION.
HARROWING SCENES.

(Reuter's Service to the China Mail.)
LONDON, Nov. 24.

Two people were killed and 50 injured as a result of an explosion in an oil mill at Liverpool.

Eye-witnesses tell of heart-rending scenes. The workers rushed out with hair burned off, and many were unrecognisable and several had arms and other limbs broken.

A noise like the firing of cannon shook the vicinity and almost instantly, despite furious outbursts of flames, there were a host of volunteers on the scene eager to lend a hand in the work of rescue. These were followed by doctors and nurses, and soon the Northern Hospital was crowded with patients. Vehicles hurried to the spot to convey the victims to hospital.

A TERRIBLE AFFAIR.

LONDON, Nov. 25.

At the time of the explosion there were 400 workers in the building. Everybody was hurled to the ground, and the floor seemed split with flames which shot through the roof, which was blown off.

Showers of stones, bricks and other debris, mixed with human remains, descended in the neighbourhood, and then the walls collapsed.

Some most brilliant rescues were effected; the bodies taken out being 33 killed and 75 injured.

TROUBLE AT HANKOW.

A BRITISH REQUEST.

(Independent News Agency's Service to the China Mail.)
TOKYO, Nov. 25.

It is reported that the British Consul at Hankow, fearing trouble in the Settlement, has requested the immediate despatch of war vessels to the scene.

THE SUGAR CONVENTION.

THE COLONIES AND WITHDRAWAL.

(Reuter's Service to the China Mail.)
LONDON, Nov. 24.

The West India Committee has passed a resolution protesting against the withdrawal of Britain from the Sugar Convention on the ground that it would check the investment of capital in sugar ventures in the Colonies.

SLEEPING SICKNESS.

THE GOVERNMENT VIEW.

(Reuter's Service to the China Mail.)
LONDON, Nov. 24.

Mr Harecourt in reply to the missionary deputation respecting sleeping sickness emphasised that the relation of big game to the tsetse fly was most complex, adding that if human life was endangered science must give way to the interests of humanity. He assured the deputation that the Government would not hesitate to act immediately on any definite proof.

IMPERIAL CRICKET.

M.C.C. V. NEW SOUTH WALES.

(Reuter's Service to the China Mail.)
LONDON, Nov. 24.

For the match between the M.C.C. team and New South Wales the weather was muggy and the wicket wet. There was an attendance of 7,000. There was no play before lunch.

New South Wales won the toss and Marylebone were put in first. At the close of the day's play the score was 151 for the loss of four wickets, Gunn making 50.

A MISFORTUNE.

LATER.

Reuter's Sydney correspondent states that Mr Warner, the English captain, will be absent from the first Test Match, but will probably play in the second.

HITCHIN BYE-ELECTION.

UNIONIST MAJORITY INCREASED.

(Reuter's Service to the China Mail.)
LONDON, Nov. 25.

The results of the bye-election has been declared as follows:

Lord Robert Cecil (U.) ... 3,542
Mr T. T. Greg (L.) ... 2,009

Unionist majority ... 1,533

[Note.—The bye-election was caused by the death of the late member, Dr Hillier (U.), who polled 5,231 at the General Election, against 3,942 cast for Mr Greg.—Ed. C.M.]

LATER.
Lord Hugh Cecil says that the Hitchin bye-election has been fought almost entirely on the insurance bill.

THE TURCO-ITALIAN WAR.

BLOCKADE OF DARDANELLES SUGGESTED.

(Reuter's Service to the China Mail.)
LONDON, Nov. 25.

Reuter's correspondent at Constantinople wires that a meeting of the Council of Ministers and conferences between the various Ambassadors have given the impression that Italian naval action is to be no longer delayed, and that the objective will be a blockade of the Dardanelles or even forcing the Dardanelles with a view to dictating peace to Constantinople.

The Russian Government has pointed out, and also presumably informed Italy, that a blockade of the Dardanelles would be contrary to the London Convention of 1871.

In the House of Commons Mr Asquith, Under Secretary for Foreign Affairs, announced that the Government has no information of a blockade of the Dardanelles.

THE TURF.

MANCHESTER NOVEMBER HANDICAP.

(Reuter's Service to the China Mail.)
LONDON, Nov. 24.

The probable starters for the Manchester November Handicap, to be run at Manchester over 1½ miles on the 25th inst., are:—Sir Martin (Martin), Mirador (Jones), Dalmatian (Walter Griggs), King Midas (F. Wootton), Countess (Escott), Cigar (Buxley), Shanballymore (Drake), Helot (Fox), Rathlen (Winter), Ultimus (Pullin), Persimmon (Stokes), Othello (Ringstead), Donnez Moi (Loughrey). The following have no jockeys assigned:—Fort, Fomelhaul and Plume.

The ante-post betting is as follows:—3 to 1 against Ultimus, 8 to 1 against Sir Martin and Countess, 100 to 11 against Mirador, 10 to 1 against Othello, 100 to 8 against Donnez Moi, 20 to 1 against Rathlen.

An important re-organisation of the Catholic Church in England has been decided upon and a Papal bull will shortly be issued, dividing England into three ecclesiastical provinces with archiepiscopal sees at Liverpool, Birmingham and Westminster. Two new dioceses will also be formed, one out of a portion of Liverpool and the other out of the actual diocese of Northampton, with its see in Cambridge. Thus the great See of Westminster will be considerably reduced in dignity, as, instead of having 14 suffragan sees, as now, it will have only four.
